Instructions

Filing requirements

Every IDA must file this compliance report every year. The report must include:

- the terms and conditions for the recapture of state sales tax exemption benefits (as described in General Municipal Law (GML) section 875(3)) within all of the IDA's resolutions and project documents. This applies to:
 - projects established and agents or project operators appointed, and any financial assistance or agreement for payments in lieu of taxes provided, on or after March 28, 2013; and
 - any amendment or revision for additional funds or benefits made on or after March 28, 2013, to projects established, agents or project operators appointed, financial assistance provided, or payments in lieu of taxes provided, prior to March 28, 2013.
- information about efforts the IDA has made to recover, recapture, receive, or obtain any state sales tax exemption benefits and payments in lieu of state sales taxes from an agent/project operator, or other person or entity.

Every IDA must file Form ST-62 within 90 days of the end of each fiscal year.

The term *state sales tax* as used in this form includes both state sales tax and the state use tax.

For more information, see TSB-M-14(1.1)S, *Sales Tax Reporting and Recordkeeping Requirements for Industrial Development Agencies and Authorities*.

Any IDA that fails to file or substantially complete this report may lose its authority to provide state sales tax exemption benefits.

Terms and conditions for the recapture of state sales tax exemption benefits

Line 2 – If the IDA:

- **used the same** standard terms and conditions for the recapture of state sales tax exemption benefits in the project documents for all projects covered by this report, attach a copy of the terms and conditions used. You are **not** required to attach the entire document. Attach only the sections describing the state sales tax recapture requirements described in GML section 875(3).
- **used different** terms and conditions for the recapture of state sales tax exemption benefits in the project documents for the projects covered by this report, attach a copy of the terms and conditions used and identify the project(s) to which they relate. Be sure to include the project name and address, and the legal name and EIN of the agent or project operator for each project identified.
- provided state sales tax exemption benefits **but did not include** terms and conditions for the recapture of those benefits, attach a list of these projects. Include the project name and address, the legal name and EIN of the agent or project operator, and the reason why terms and conditions regarding recapture were not included.

Activities and efforts to recapture state sales tax exemption benefits

The GML requires that each IDA recapture state sales tax exemption benefits that were claimed by a project operator or agent, or other person or entity, whenever the benefits were:

- not entitled or authorized to be taken,
- in excess of the amounts authorized,
- for unauthorized property or services, or
- for property or services not used according to the terms of the agreement with the IDA.

See Form ST-65, *IDA Report of Recaptured Sales and Use Tax Benefits*, for more information.

IDAs must remit recaptured state sales tax benefit amounts to the Tax Department within 30 calendar days, using Form ST-65.

Line 4: If the IDA made efforts to recapture sales tax exemption benefits during the fiscal year covered by this report and **has not filed** Form ST-65, attach an explanation.

The attachment must include:

- name and address of the project and project number;
- legal name, EIN, and address of the agent/project operator, or other person or entity;
- project beginning and end dates;
- the basis for recapture, as described above;
- date of recapture efforts;
- amounts identified as required to be recaptured; and
- amount recaptured, if different.

When identifying recapture amounts, be sure to break down the total dollar amount into the categories below:

- state tax,
- local tax,
- MCTD tax (if applicable),
- penalties, and
- interest.

If the amount recaptured was not paid in full, also include copies of correspondence exchanged between the IDA and the agent/project operator, or other entity or person regarding the recapture efforts.
