List of Performance Goals

Working with the Cortland County Business Development Corporation the Industrial Development Agency will:

- Act as the county's lead economic development agency;
- Actively support and further the interests of county-based businesses;
- Meet regularly with county businesses to identify and mitigate obstacles for growth and to exploit opportunities for growth;
- Plan and implement programs to increase awareness of federal, state, and local business assistance programs;
- Plan and implement marketing efforts both inside and outside of Cortland County that target the expansion of existing businesses, the establishment of new business, and the attraction of new companies, people, and investment to the county;
- Assist in the planning, funding, and development of sites, buildings, infrastructure, and other programs and activities to facilitate business development and expansion;
- Represent the interests of local governments with our federal and state elected officials with respect to economic development; and
- Maintain relationships with federal, state, and regional elected officials and economic development allies to further Cortland County's economic development program objectives.

Accomplishments

The Cortland County BDC continues to function as the county's primary economic development organization. In 2021, the CCIDA together with its partners at the Cortland County Business Development Corporation and Cortland County Development Corporation:

- Continued to work in partnership with the CCIDA and the CCDC to help mitigate the impacts of COVID-19 and its variants on the local business community. The agencies marketed the availability of emergency federal, state, regional and local programs to businesses intending to assist them with pandemic recovery;
- Secured \$300,000 in local American Rescue Plan resources for distribution through a local business grant program;
- Secured significant resources for projects in Cortland County through New York State's Regional Economic Development Council program;
- Took the lead in efforts to acquire, remediate, and repurpose a former manufacturing site in the city of Cortland;
- Continued administration of its revolving loan fund, issuing new assistance to qualified businesses and monitoring the activities of existing borrowers in satisfaction of program parameters;
- Continued its work as a lead agency for the city of Cortland's \$10 million Downtown Revitalization Initiative grant;
- Facilitated development of a marketing campaign designed to provide information and project updates to downtown stakeholders to be impacted the DRI work to rebuild Main Street;
- Facilitated a study of current parking practices in Cortland's Downtown District to assist with parking redesign during and post-DRI construction;
- Continued its work as an advocate and advisor for capital projects and community growth. Projects included the ongoing development of Gutches Park Sports Complex, a \$15 million facility hosting local, state and regional athletic events and promoting local sports tourism;
- Continues effective sponsorship of free small-business consulting through the federal Small Business Administration;
- Continued to work with local media as a voice for the local business community;
- Active in partnership facilitating workforce development; and
- Continues to serve as a "one-stop shop" for a wide range of inquiries and proposals related to economic development and community growth in Cortland County.
