By proper official action, the Agency has been duly authorized to execute, deliver and perform this Lease Agreement and the other Basic Documents to which the Agency is a party.

(B) Neither the execution and delivery of this Lease Agreement or the other Basic Documents to which the Agency is a party, the consummation of the transactions contemplated hereby or thereby nor the fulfillment of or compliance with the provisions of this Lease Agreement or the other Basic Documents to which the Agency is a party will conflict with or result in a breach by the Agency of any of the terms, conditions or provisions of the Act, the By-Laws of the Agency or any order, judgment, agreement or instrument to which the Agency is a party or by which the Agency is bound, or will constitute a default by the Agency under any of the foregoing.

(C) Pursuant to the Basic Documents, the Agency will acquire a leasehold interest in the Facility Premises, the Agency will cause the Project Facility to be acquired, constructed and installed and will lease the Project Facility to the Company pursuant to this Lease Agreement, all for the purpose of advancing the job opportunities, health,

general prosperity and economic welfare of the people of the State and improving their standard of living.

(D) Except as provided in Article IX and Article X hereof, the Agency, to the extent of its interest therein, shall not sell, assign, transfer, encumber or pledge as security the Project Facility or any part thereof and shall maintain the Project Facility free and clear of all Liens or encumbrances, except as contemplated or allowed by the terms of this Lease Agreement and the other Basic Documents.

SECTION 2.2. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY. The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Company is a limited liability company duly organized and validly existing under the laws of the State of New York, is qualified and authorized to do business in the State of New York and all other jurisdictions in which its operations or ownership of Properties so require, and has the power to enter into this Lease Agreement and the other Basic Documents to which the Company is a party and to carry out its obligations hereunder and thereunder. By proper action of its Members, the Company has been duly authorized to execute, deliver and perform this Lease Agreement and the other Basic Documents to which the Company is a party.

(B) Except as has been heretofore disclosed to the Agency, neither the execution and delivery of this Lease Agreement or the other Basic Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby nor the fulfillment of or compliance with the provisions of this Lease Agreement or the other Basic Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's Articles of Organization or Operating Agreement or any other corporate restriction, order, judgment, agreement or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon any Property of the Company under the terms of any such instrument or agreement, other than the Permitted Encumbrances, (2) require consent (which has not been heretofore received) under any corporate restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (3) require consent (which has not been heretofore obtained) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any government, governmental instrumentality or court (domestic or foreign) having jurisdiction over the Company or any of the Property of the Company.

(C) The completion of the Project Facility will not result in the removal of a plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State of New York to another area of the State of New York or in the abandonment of a plant or facility of any proposed occupant of the Project Facility (other than the Company) located in the State of New York and, although the completion of the

Project Facility may result in the abandonment of one or more plants or facilities of the Company located in the State of New York, such abandonment is reasonably necessary to preserve the competitive position of the Company in its industry.

(D) The Project Facility does not and will not constitute a project where facilities or property that are primarily used in making sales of goods or services to customers who personally visit such facilities constitute more than one-third of the total cost of the project.

(E) The Basic Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(F) The Project Facility is, and so long as this Lease Agreement shall remain in effect, the Project Facility will continue to be a "project", as such quoted term is defined in the Act, and the Company will not take any action (or omit to take any action required by the Basic Documents or which the Agency advises the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way (1) cause the Project Facility not to constitute a "project", as such quoted term is defined in the Act, or (2) cause the Financial Assistance to be applied in a manner contrary to that provided in the Basic Documents.

(G) The Project Facility and the operation thereof will comply in all material respects with all Applicable Laws, and the Company will defend and save the Agency and its officers, members, agents and employees harmless from all fines and penalties due to failure to comply therewith. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws, and the Company will defend and save the Agency and its officers, members, agents and employees harmless from all fines and penalties due to failure to comply therewith.

(H) The Project will not have a "significant effect on the environment" (within the meaning of such term as used in SEQRA), and the Company hereby covenants to comply with all mitigating measures, requirements and conditions, if any, enumerated in the SEQR Resolution issued by the Agency on June 10, 2024 under SEQRA applicable to the acquisition, rehabilitation and installation of the Project Facility and in any other approvals issued by any other Governmental Authority with respect to the Project. No material changes with respect to any aspect of the Project Facility have arisen from the date of the issuance of such negative declaration which would cause the determination contained therein to be untrue.

(I) The Company acknowledges receipt of notice of Section 874(8) of the Act, which requires that the Company as agent of the Agency must annually file a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, of the value of

all sales tax exemptions claimed by the Company under the authority granted by the Agency.

(J) The Company acknowledges receipt of notice of Section 858-b of the Act, which requires that the Company list new employment opportunities created as a result of the Project with the following entities (hereinafter, the "JTPA Entities"): (1) the New York State Department of Labor Community Services Division and (2) the administrative entity of the service delivery area created by the federal job training partnership act (P.L. No. 97-300) in which the Project Facility is located. The Company agrees, where practicable, to first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the JTPA Entities.

(K) The Company acknowledges receipt of notice of Section 874(9) of the Act, which requires the Company, as agent of the Agency, to file within thirty (30) days of the date the Company is appointed the agent of the Agency, a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(L) The Company hereby acknowledges and agrees that the Financial Assistance constitutes "public funds" under Section 224-a of the New York Labor Law, unless otherwise excluded under Section 224-a(3) of the New York Labor Law, and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)(a) of the New York Labor Law. Other than the Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of "public funds" to be received by the Company in connection with the Project, the Agency agrees to work cooperatively with the Company to adjust the total amount of Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the PILOT Agreement.

ARTICLE III CONVEYANCE TO AGENCY AND USE OF PROJECT FACILITY

SECTION 3.1. CONVEYANCE TO THE AGENCY. (A) Pursuant to the Underlying Lease, the Company has or will convey, or will cause to be conveyed, to the Agency a

leasehold interest in the Facility Parcel. Pursuant to the Bill of Sale to the Agency, the Company has or will convey, or will cause to be conveyed, to the Agency title to the Equipment.

(B) The Company hereby represents and warrants that it has a good and marketable fee or leasehold interest to the Land and good and marketable title to the Equipment.

(C) The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons. The Company also agrees to pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a Lien affecting the Project Facility, except for Permitted Encumbrances.

SECTION 3.2. USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Basic Documents or the Act, provided such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project Facility into disrepute as a public project; provided, further, however, that at no time shall any such use be other than as a solar photovoltaic facility with an approximate 2.8 megawatt capacity to be operated by the Company and uses related thereto without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 3.3. HAZARDOUS MATERIALS. (A) To the best of its knowledge, the Company represents, warrants and covenants that the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner which violates in any material respect any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and that, to the best of the Company's knowledge, no prior owner of the Project Facility or any tenant, subtenant, prior tenant or prior subtenant has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

(B) The Company shall keep or cause the Project Facility to be kept free of Hazardous Materials. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all material Applicable Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant or subtenant of the Company, an unlawful release of Hazardous Materials onto the Project Facility or onto any other property.

(C) The Company shall comply with, and ensure compliance by all tenants and subtenants of the Company with, all Applicable Laws regarding Hazardous Materials whenever and by whomever triggered, and shall obtain and comply with, and ensure that all tenants and subtenants of the Company obtain and comply with, any and all approvals, registrations or permits required thereunder.

(D) If the Company causes Hazardous Materials to be released onto the Project Facility, the Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Material on, from or affecting the Project Facility (a) in accordance with all Applicable Laws, and (b) in accordance with the orders and directives of all federal, state and local governmental authorities and (2) defend, indemnify, and hold harmless the Agency and its employees, agents, officers and members from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release or threatened release of any Hazardous Materials used, transported, stored, manufactured, refined, handled, produced or disposed of on or in the Project Facility which are on, from or affecting soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Applicable Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. Costs under this subsection (D) will be repaid immediately with interest at the Default Interest Rate or the maximum permitted by law, whichever is less.

(E) In the event the Project Facility is foreclosed by the Agency, or the Company tenders a deed in lieu of foreclosure, the Company shall deliver the Project Facility to the purchaser free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Federal, State or local laws, ordinances, rules and regulations governing the use and storage of such materials), so that the condition of the Project Facility shall conform with all Applicable Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents or representatives, may at any reasonable time and at the Company's expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Applicable Laws.

(G) In the event that insurance shall become available at a reasonable cost to cover the Company's obligations under this Section 3.3, then, at the option of the Agency, the Company shall obtain adequate coverage.

SECTION 3.4. NON-MERGER. During the term of this Lease Agreement, there shall be no merger of this Lease Agreement nor of the leasehold estate created by this Lease Agreement with the fee interest in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease Agreement or the leasehold estate created by this Lease Agreement or any interest in this Lease Agreement or in any such leasehold estate and (2) the fee interest in the Premises or any part thereof or any interest in such fee interest, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease Agreement or the leasehold estate created by this Lease Agreement and (y) the fee interest in the Premises or any part thereof or any interest in such fee interest, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5. COMPLIANCE WITH THE UNDERLYING LEASE. (A) Notwithstanding the granting of the leasehold interest created by the Underlying Lease in the Facility Parcel to the Agency pursuant to the Underlying Lease, the Company agrees, in consideration of the undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the Underlying Lease for the performance of all covenants, agreements, obligations and duties of the Agency under the Underlying Lease, including but not limited to the making of all payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency under the Underlying Lease, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all sums required to be paid by the Agency as tenant under and pursuant to the provisions of the Underlying Lease and (2) diligently perform and observe all of the terms, covenants and conditions of the Underlying Lease on the part of the Agency, as tenant thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the landlord under the Underlying Lease, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as tenant, under the Underlying Lease.

ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1. ACQUISITION, REHABILITATION AND INSTALLATION OF THE PROJECT FACILITY. (A) The Company shall, on behalf of the Agency, promptly acquire, renovate and install the Project Facility, or cause the acquisition, rehabilitation and installation of the Project Facility, all in accordance with the Plans and Specifications.

(B) No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent of the Agency shall not be unreasonably withheld conditioned or delayed).

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) hereof.

(E) The Agency hereby appoints the Company as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Basic Documents, and the Company hereby accepts such appointment: (1) to acquire, renovate and install the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the acquisition, rehabilitation and installation of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefor by the Company and advanced for such purposes by the Company pursuant to this Lease Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, rehabilitation and installation of the Project Facility from funds made available therefor in accordance with this Lease Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, rehabilitation and installation of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same, said appointment as agent to be retroactive to July 8, 2024 and to last until the Completion Date.

(F) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend, indemnify and save the Agency and its officers, members, agents, servants and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) To the extent required by Applicable Law, the Company, as agent of the Agency, will cause (1) compliance with the requirements of Article 8 of the New York Labor Law, and (2) any contractor, subcontractor and other person involved in the acquisition, rehabilitation and installation of the Project Facility to comply with Article 8 of the New York Labor Law. The covenant in this subsection is not intended as a representation that Article 8 of the New York Labor Law applies to the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Title to portions of the Project Facility acquired, renovated and installed at the Company's cost shall immediately upon such acquisition, rehabilitation or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease Agreement.

SECTION 4.2. COMPLETION OF THE PROJECT FACILITY. The Company will proceed with due diligence to commence and complete the acquisition, rehabilitation and installation of the Project Facility. Completion of the same shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, rehabilitation and installation of the Project Facility has been completed, with the exception of ordinary punchlist items and work awaiting seasonal opportunity, (D) that the Company or the Agency has good and valid title to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Notwithstanding the foregoing, such certificate may state (1) that it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being, (2) that it is given only for the purposes of this Section 4.2, and (3) that no Person other than the Agency may benefit therefrom. Such certificate shall be accompanied by a certificate of occupancy, or a letter from the local Governmental Authority stating that no certificate of occupancy is required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes.

SECTION 4.3. REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, rehabilitation and installation of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials,

workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility, and thereafter be paid to the Company for its own use. The Company shall advise the Agency of any actions or proceedings taken hereunder.

ARTICLE V DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE

SECTION 5.1. LEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and lease to the Company, and the Company hereby agrees to rent and lease from the Agency, the Agency's interest in the Project Facility, subject only to Permitted Encumbrances. The obligation of the Agency under this Section 5.1 to lease the Project Facility to the Company shall be subject to there being no Event of Default existing hereunder, or any other event which would, but for the passage of time, be such an Event of Default.

SECTION 5.2. DURATION OF THE LEASE TERM; QUIET ENJOYMENT. (A) The Agency shall deliver to the Company possession of the Project Facility, and the leasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Except as otherwise provided in Article X hereof, the leasehold estate created hereby shall terminate on the earlier to occur of (1) January 31, 2051, or (2) the date that this Lease Agreement shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X of this Lease Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease Agreement and will, at the request of the Company and at the Company's expense, cooperate with the Company

in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3. RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE. (A) The Company shall pay basic rental payments for the Project Facility as follows: On the date of execution and delivery of this Lease Agreement, the Company shall pay, (1) as the basic lease payments due hereunder, a single lump sum basic rental payment equal to the Agency's administrative fee relating to the Project and (2) Agency Counsel's fees and expenses relating to the Project. Thereafter, the Company shall make all payments required in accordance with the Payment In Lieu of Tax Agreement, a copy of which is attached hereto as Schedule A.

(B) Within seven (7) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the expenses of the Agency and the officers, members, agents and employees thereof incurred by reason of the Agency's ownership, leasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease Agreement or any of the other Basic Documents, and any other fee or expense of the Agency with respect to the Project Facility, the leasing or sale of the Project Facility to the Company, or any of the other Basic Documents, the payment of which is not otherwise provided for under this Lease Agreement.

(C) The Company agrees to make the above-mentioned payments, without any further notice, by check or wire transfer, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less, from the date on which such payment was due until the date on which such payment is made.

SECTION 5.4. NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER. (A) The obligations of the Company to make the payments required by this Lease Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of set-off, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease Agreement, or terminate this Lease Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of title to or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political

subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease Agreement.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Lease Agreement, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.10 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company) or employees of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease Agreement, the relationship of the Agency and the Company hereunder or the Company's use and occupancy of or purchase of or title to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5. GRANT OF SECURITY INTEREST. The Company hereby grants the Agency a security interest in all of the right, title and interest of the Company in the Project Facility and in all additions and accessions thereto, all replacements and substitutions therefor and all proceeds thereof, and all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds thereof, as security for payment of the rental payments and all other payments and obligations of the Company hereunder. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute and deliver and file any instruments necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1. MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY.

(A) During the term of this Lease Agreement, the Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), and (3) operate the Project Facility in a sound and economic manner.

(B) The Company shall not make any structural additions, modifications or improvements to the Project Facility or any part thereof unless:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such addition, modification or improvement to the Project Facility, or a part thereof, (b) defend and save the Agency and its officers, members, agents (other than the Company) and employees harmless from all fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) make all payments in lieu of taxes required by Section 6.6 hereof and the Payment in Lieu of Tax Agreement, including those required by Section 2.03(D) thereof;

(2) the addition, modification or improvement to the Project Facility shall not constitute a default under any of the Basic Documents; and

(3) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such addition, modification or improvement to the Project Facility detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for additions, modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000.00 in value.

SECTION 6.2. TAXES, ASSESSMENTS AND UTILITY CHARGES. (A) The Company shall pay or cause to be paid, as the same respectively become due, (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility, (2) all utility and other charges, including "service charges", incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements, and (4) all payments required under Section 6.6 hereof; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease Agreement.

(B) Notwithstanding the provisions of subsection (A) of this Section 6.2, the Company may in good faith actively contest any such taxes, assessments and other charges, provided that the Company (1) first shall have notified the Agency in writing of such contest and (2) is not in default under any of the Basic Documents. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3. INSURANCE REQUIRED. During the term of this Lease Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company and the Agency as insureds, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance at all times to be in an amount acceptable to the Company and the Agency.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, rehabilitation or installation of the Project Facility.

(C) Insurance protecting the Company and the Agency against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease Agreement) and arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$500,000 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law.

(D) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST.

SECTION 6.4. ADDITIONAL PROVISIONS RESPECTING INSURANCE. (A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and having a Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall name the Company and the Agency as insureds, as their interests may appear, and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4 hereof. At least thirty (30) days prior to the expiration of any such policy, the Company shall furnish to the Agency

evidence that the policy has been renewed or replaced or is no longer required by this Lease Agreement.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 6.5. APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Section 6.3(A) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Section 6.3(B) and 6.3(C) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. PAYMENTS IN LIEU OF TAXES. (A) It is recognized that under the provisions of the Act, the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is not the intention, however, of the parties hereto that the entire Project Facility be treated as exempt from real property taxation. The Agency and the Company understand that only the Facility shall be entitled to a real property tax exemption. Accordingly, the parties hereto acknowledge that the Payment in Lieu of Tax Agreement is expected to be executed with respect to the Facility and a Real Property Tax Exemption Form will be filed by the Agency with respect to the Facility once the Payment in Lieu of Tax Agreement is executed by the Agency and the Company. Until the expiration date of the Payment in Lieu of Tax Agreement, the Agency and the Company hereby agree that the Company (or any subsequent user of the Project Facility pursuant to this Lease Agreement) shall be required to make or cause to be made payments in lieu of real estate taxes in the amounts and in the manner set forth in the Payment in Lieu of Tax Agreement.

(B) In the event that (1) the Facility Premises would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, and (2) the Payment in Lieu of Tax Agreement shall not have been entered into by the Agency and the Company, or if entered into the Payment in Lieu of Tax Agreement shall for any reason no longer be in effect, the Agency and the Company hereby agree that the Company, or any subsequent user of the Project Facility under this Lease Agreement, shall in such event be required to make or cause to be made payments in lieu of taxes to the school district or school districts, city, town, county, village and other political units wherein the Facility Premises or the Project Facility, as the case may be, is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities") in such amounts as would result from taxes being levied on the Facility Premises or the Project Facility, as the case may be, by the Taxing Entities if the Facility Premises or the Project Facility, as the case may be, were privately owned by the Company and not deemed owned by or

under the jurisdiction, control or supervision of the Agency, but with appropriate reductions similar to the tax exemptions and credits, if any, which would be afforded to the Company if it were the owner of the Facility Premises or the Project Facility, as the case may be. It is agreed that the Agency, in cooperation with the Company, (1) shall cause the Facility Premises or the Project Facility, as the case may be, to be valued for purposes of determining the amounts due hereunder as if owned by the Company as aforesaid by the appropriate officer or officers of any of the Taxing Entities as may from time to time be charged with responsibility for making such valuations, (2) shall cause to be appropriately applied to the valuation or valuations so determined the respective tax rate or rates of the Taxing Entities that would be applicable to the Facility Premises or the Project Facility, as the case may be, if so privately owned, (3) shall cause the appropriate officer or officers of the Taxing Entities charged with the duty of levying and collecting such taxes to submit to the Company, when the respective levies are made for purposes of such taxes upon Property privately owned as aforesaid, statements specifying the amounts and due dates of such taxes which the Taxing Entities would receive if such Property were so privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, and (4) shall file with the appropriate officer or officers any accounts or tax returns furnished to the Agency by the Company for the purpose of such filing.

(C) The Company shall pay or cause to be paid to the Taxing Entities when due all such payments in lieu of taxes with respect to the Project Facility required by Section 6.6(B) of this Lease Agreement to be paid to the Taxing Entities, subject in each case to the Company's right to (1) obtain exemptions and credits, if any, which would be afforded to a private owner of the Project Facility, including any available exemption under Section 485-b of the New York Real Property Tax Law with respect to the Project Facility, (2) contest valuations of the Project Facility made for the purpose of determining such payments therefrom, and (3) seek to obtain a refund of any such payments made.

(D) Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Section 6.6 or the Payment in Lieu of Tax Agreement when due, the Company shall continue to be obligated to pay the same and shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due. If the Company shall fail to make any payment required by the Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) the Default Interest Rate, or (b) the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.

ARTICLE VII

DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. DAMAGE OR DESTRUCTION. (A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall so notify the Agency. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) the amount necessary to prepay the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to prepay the Indebtedness in full, the Company shall

pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to prepay the Indebtedness in full.

(C) If all Indebtedness has been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) hereof.

SECTION 7.2. CONDEMNATION. (A) To the knowledge of the Company, no condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

- (1) the Agency shall have no obligation to restore the Project Facility;
- (2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is restored);
- (3) the Company shall promptly give notice thereof to the Agency; and
- (4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore the Project Facility (excluding any part of the Land or the Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any Condemnation award relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award, if any, remaining on deposit with the Agency after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) of this Section 7.2, if the Company shall so notify the Agency. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to prepay all of the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to prepay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be prepaid in full.

(D) If all of the Indebtedness has been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(E) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(F) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company.

SECTION 7.3. ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3(C) of this Lease Agreement, its liabilities assumed pursuant to this Section 8.2.

(D) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

The Company agrees that, during the term of this Lease Agreement, it will maintain its limited liability company existence, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another limited liability company, without notice to the Agency; provided, however, that, if no Event of Default specified in Section 10.1 hereof shall have occurred and be continuing, the Company may consolidate with or merge into another domestic limited liability company organized and existing under the laws of one of the states of the United States, or permit one or more such domestic limited liability companies to consolidate with or merge into it, or sell or otherwise transfer to another Person all or substantially all of its assets as an entirety and thereafter dissolve, provided that (A) the Agency has received notice of such action, (B) the Agency gives its written consent to the proposed transaction, which consent shall not be unreasonably withheld, conditioned or delayed, (C) the surviving, resulting or transferee limited liability company assumes in writing all of the obligations of and restrictions on the Company under this Lease Agreement and the other Basic Documents, and (D) as of the date of such transaction, the Agency shall be furnished with (1) an opinion of counsel to the Company as to compliance with item (A) of this Section 8.4 and (2) a certificate, dated the effective date of such transaction, signed by an Authorized Representative of the Company and an authorized officer of the surviving, resulting or transferee limited liability company, as the case may be, or the transferee of its assets, as the case may be, to the effect that immediately after the consummation of the transaction and after giving effect thereto, no Event of Default exists under this Lease Agreement and no event exists which, with notice or lapse of time or both, would become such an Event of Default. Additionally, this Lease Agreement may be assigned in whole or in part to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person"), with prior written notice to the Agency.

SECTION 8.5. AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such public information concerning the Company, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation.

SECTION 8.6. BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES. (A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) Within thirty (30) days after request by the Agency, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7. COMPLIANCE WITH APPLICABLE LAWS. (A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such requirement, and (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents, servants or employees may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8. DISCHARGE OF LIENS AND ENCUMBRANCES. The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency (other than the Project Facility) or on any funds of the Agency applicable to the Project Facility.

SECTION 8.9. PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same including, without limitation,

appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith, and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 8.10. DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11. EMPLOYMENT OPPORTUNITIES. (A) The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division ("NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) ("JTPA") in which the Project is located and (2), where practicable, to first consider for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities. The Company agrees to file with the Agency, on an annual basis, reports regarding the number of people employed at the Project Facility which reports shall include information confirming the Company's compliance with this subsection.

(C) If the Project Facility has been financed through the issuance of qualified small issue bonds then pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease Agreement, an employment plan, in substantially the form attached hereto as Exhibit "D".

(D) INTENTIONALLY OMITTED.

SECTION 8.12. SALES AND USE TAX EXEMPTION. (A) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain sales taxes and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of New York sales or use taxes. Any exemption from the payment of New York

sales or use taxes resulting from the involvement of the Agency with the Project shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of New York sales or use tax. It is the intention of the parties hereto that the Company will receive a sales tax exemption with respect to the Project, said sales tax exemption letter to be issued on the date of the execution of this Lease Agreement and in a form similar to the form attached hereto as Exhibit "F".

(B) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause any sublessee or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Report"), a statement of the value of all sales and use tax exemptions claimed by the Company and all contractors, subcontractors, consultants and other agents of the Company under the authority granted to the Company pursuant to Section 4.1(E) of this Lease Agreement. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Report shall be removal of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this subsection (B), the Company shall immediately cease to be the agent of the Agency in connection with the Project. A current sample form of such Annual Report required to be completed by the Company pursuant to this Lease Agreement is attached hereto as Exhibit "G". For future filings of the Annual Report, the Company is responsible for obtaining from the New York State Department of Taxation and Finance any updated or revised versions of such Annual Report.

(C) The Company agrees to furnish to the Agency a copy of each such Annual Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act.

(D) Pursuant to Section 874(9) of the Act, the Company agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. A current sample form of such Thirty-Day Sales Tax Report required to be completed by the Company pursuant to this Lease Agreement is attached hereto as Exhibit "H". For future filings of the Thirty-Day Sales Tax Report, the Company is responsible for obtaining from the New

York State Department of Taxation and Finance any updated or revised versions of such Thirty-Day Sales Tax Report.

SECTION 8.13. SALES AND USE TAX RECAPTURE. Pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive, or otherwise obtain from the Company that portion of the Financial Assistance which constitutes state sales and use tax exemptions taken or purported to be taken by the Company to which the Company is not entitled or which are in excess of the amount authorized by the Agency or which are for property or services not authorized by the Agency as part of the Project or were taken by the Company when the Company failed to comply with a material term or condition to use property or services in the manner required by the Basic Documents. The Company shall cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such state sales and use tax exemptions and shall promptly pay over any such amounts to the Agency. In addition to constituting an Event of Default hereunder, the failure to pay over such amounts to the Agency shall be grounds for the New York State Commissioner of Taxation and Finance to assess and determine state sales and use taxes due from the Company under Article 28 of the Tax Law of the State of New York, together with any relevant penalties and interest due on such amounts.

SECTION 8.14. IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX ASSIGNMENTS; MERGER OF THE AGENCY

SECTION 9.1. ASSIGNMENT OF THE LEASE AGREEMENT. Except as otherwise provided in Section 8.4 hereof, this Lease Agreement may not be assigned by the Company, in whole or in part, without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 9.2. MERGER OF THE AGENCY. (A) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease Agreement shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly

furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3. SALE OR LEASE OF THE PROJECT FACILITY. (A) The Company may not sell, lease, transfer, convey or otherwise dispose of the Project Facility or any part thereof without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

(B) Notwithstanding anything to the contrary contained in this Lease Agreement, in any instance after the Completion Date where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with similar items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Basic Documents. The Company shall pay all costs and expenses (including counsel fees) incurred in transferring title to and releasing from the Liens of the Basic Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1. EVENTS OF DEFAULT DEFINED. (A) The following shall be "Events of Default" under this Lease Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to Section 5.3 or Section 6.6 hereof, and the continuance thereof for a period of ten (10) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Lease Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.

(3) The occurrence of an "Event of Default" under any other Basic Document.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(5) The Company shall conceal, remove or permit to be concealed or removed any part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute, (b) the failure by the Company within sixty (60) days to lift any execution, garnishment or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder, (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of sixty (60) days, (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company, or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within sixty (60) days of such appointment.

(7) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance.

(8) The removal of the Project Facility, or any portion thereof, outside Cortland County, New York, without the prior written consent of the Agency, other than in connection with a removal under Section 9.3(B) hereof.

(B) Notwithstanding the provisions of Section 10.1(A) hereof, if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party and to the Agency within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease Agreement of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the

contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required by Sections 4.1(H), 5.3, 6.2 and 6.6 hereof, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 3.3 and 8.2 hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout or other industrial disturbances by acceding to the demands of the opposing party or parties.

SECTION 10.2. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Lease Agreement and the other Basic Documents.

SECTION 10.3. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4. AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred, whether an action is commenced or not.

SECTION 10.5. NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
