(A) The Company is a limited liability company duly organized and validly existing under the laws of the State of Florida, is qualified and authorized to do business in the State of New York and all other jurisdictions in which its operations or ownership of Properties so require, and has the power to enter into this Lease Agreement and the other Basic Documents to which the Company is a party and to carry out its obligations hereunder and thereunder. By proper action of its Members, the Company has been duly authorized to execute, deliver and perform this Lease Agreement and the other Basic Documents to which the Company is a party.

(B) Except as has been heretofore disclosed to the Agency, neither the execution and delivery of this Lease Agreement or the other Basic Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby nor the fulfillment of or compliance with the provisions of this Lease Agreement or the other Basic Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's Articles of Organization or Operating Agreement or any other corporate restriction, order, judgment, agreement or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon any Property of the Company under the terms of any such instrument or agreement, other than the Permitted Encumbrances, (2) require consent (which has not been heretofore received) under any corporate restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (3) require consent (which has not been heretofore obtained) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any government, governmental

instrumentality or court (domestic or foreign) having jurisdiction over the Company or any of the Property of the Company.

(C) The completion of the Project Facility will not result in the removal of a plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State of New York to another area of the State of New York or in the abandonment of a plant or facility of any proposed occupant of the Project Facility (other than the Company) located in the State of New York and, although the completion of the Project Facility may result in the abandonment of one or more plants or facilities of the Company located in the State of New York, such abandonment is reasonably necessary to preserve the competitive position of the Company in its industry.

(D) The Project Facility does not and will not constitute a project where facilities or property that are primarily used in making sales of goods or services to customers who personally visit such facilities constitute more than one-third of the total cost of the project.

(E) The Basic Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(F) The Project Facility is, and so long as this Lease Agreement shall remain in effect, the Project Facility will continue to be a "project", as such quoted term is defined in the Act, and the Company will not take any action (or omit to take any action required by the Basic Documents or which the Agency advises the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way (1) cause the Project Facility not to constitute a "project", as such quoted term is defined in the Act, or (2) cause the Financial Assistance to be applied in a manner contrary to that provided in the Basic Documents.

(G) The Project Facility and the operation thereof will comply in all material respects with all Applicable Laws, and the Company will defend and save the Agency and its officers, members, agents and employees harmless from all fines and penalties due to failure to comply therewith. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws, and the Company will defend and save the Agency and its officers, members, agents and employees harmless from all fines and penalties due to failure to comply therewith.

(H) The Project will not have a "significant effect on the environment" (within the meaning of such term as used in SEQRA), and the Company hereby covenants to comply with all mitigating measures, requirements and conditions, if any, enumerated in the SEQR Resolution issued by the Agency on September 11, 2023 under SEQRA applicable to the acquisition, rehabilitation and installation of the Project Facility and in

any other approvals issued by any other Governmental Authority with respect to the Project. No material changes with respect to any aspect of the Project Facility have arisen from the date of the issuance of such negative declaration which would cause the determination contained therein to be untrue.

(I) The Company acknowledges receipt of notice of Section 874(8) of the Act, which requires that the Company as agent of the Agency must annually file a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, of the value of all sales tax exemptions claimed by the Company under the authority granted by the Agency.

(J) The Company acknowledges receipt of notice of Section 858-b of the Act, which requires that the Company list new employment opportunities created as a result of the Project with the following entities (hereinafter, the "JTPA Entities"): (1) the New York State Department of Labor Community Services Division and (2) the administrative entity of the service delivery area created by the federal job training partnership act (P.L. No. 97-300) in which the Project Facility is located. The Company agrees, where practicable, to first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the JTPA Entities.

(K) The Company acknowledges receipt of notice of Section 874(9) of the Act, which requires the Company, as agent of the Agency, to file within thirty (30) days of the date the Company is appointed the agent of the Agency, a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

ARTICLE III CONVEYANCE TO AGENCY AND USE OF PROJECT FACILITY

SECTION 3.1. CONVEYANCE TO THE AGENCY. (A) Pursuant to the Underlying Lease, the Company has or will convey, or will cause to be conveyed, to the Agency a leasehold interest in the Facility Parcel. Pursuant to the Bill of Sale to the Agency, the Company has or will convey, or will cause to be conveyed, to the Agency title to the Equipment.

(B) The Company hereby represents and warrants that it has a good and marketable fee interest to the Land and good and marketable title to the Equipment.

(C) The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons. The Company also agrees to pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a Lien affecting the Project Facility, except for Permitted Encumbrances.

SECTION 3.2. USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Basic Documents or the Act, provided such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project Facility into disrepute as a public project; provided, further, however, that at no time shall any such use be other than as a residential building consisting of approximately 19 residential units and a community center to be operated by the Company and occupied by residential tenants in excess of 55 years of age and uses related thereto without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 3.3. HAZARDOUS MATERIALS. (A) To the best of its knowledge, the Company represents, warrants and covenants that the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner which violates in any material respect any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and that, to the best of the Company's knowledge, no prior owner of the Project Facility or any tenant, subtenant, prior tenant or prior subtenant has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

(B) The Company shall keep or cause the Project Facility to be kept free of Hazardous Materials. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all material Applicable Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant or subtenant of the Company, an unlawful release of Hazardous Materials onto the Project Facility or onto any other property.

(C) The Company shall comply with, and ensure compliance by all tenants and subtenants of the Company with, all Applicable Laws regarding Hazardous Materials whenever and by whomever triggered, and shall obtain and comply with, and

ensure that all tenants and subtenants of the Company obtain and comply with, any and all approvals, registrations or permits required thereunder.

(D) If the Company causes Hazardous Materials to be released onto the Project Facility, the Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Material on, from or affecting the Project Facility (a) in accordance with all Applicable Laws, and (b) in accordance with the orders and directives of all federal, state and local governmental authorities and (2) defend, indemnify, and hold harmless the Agency and its employees, agents, officers and members from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release or threatened release of any Hazardous Materials used, transported, stored, manufactured, refined, handled, produced or disposed of on or in the Project Facility which are on, from or affecting soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Applicable Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. Costs under this subsection (D) will be repaid immediately with interest at the Default Interest Rate or the maximum permitted by law, whichever is less.

(E) In the event the Project Facility is foreclosed by the Agency, or the Company tenders a deed in lieu of foreclosure, the Company shall deliver the Project Facility to the purchaser free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Federal, State or local laws, ordinances, rules and regulations governing the use and storage of such materials), so that the condition of the Project Facility shall conform with all Applicable Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents or representatives, upon notice to the Company and at a mutually agreeable date and time, and at the Company's expense may inspect the Company's applicable books and records and inspect and conduct any reasonable tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Applicable Laws.

(G) In the event that insurance shall become available at a reasonable cost to cover the Company's obligations under this Section 3.3, then, at the option of the Agency, the Company shall obtain adequate coverage.

SECTION 3.4. NON-MERGER. During the term of this Lease Agreement, there shall be no merger of this Lease Agreement nor of the leasehold estate created by this Lease Agreement with the fee interest in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease Agreement or the leasehold estate created by this Lease Agreement or any interest in this Lease Agreement or in any such leasehold estate and (2) the fee interest in the Premises or any part thereof or any interest in such fee interest, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease Agreement or the leasehold estate created by this Lease Agreement and (y) the fee interest in the Premises or any part thereof or any interest in such fee interest, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5. COMPLIANCE WITH THE UNDERLYING LEASE. (A) Notwithstanding the granting of the leasehold interest created by the Underlying Lease in the Facility Parcel to the Agency pursuant to the Underlying Lease, the Company agrees, in consideration of the undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the Underlying Lease for the performance of all covenants, agreements, obligations and duties of the Agency under the Underlying Lease, including but not limited to the making of all payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency under the Underlying Lease, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all sums required to be paid by the Agency as tenant under and pursuant to the provisions of the Underlying Lease and (2) diligently perform and observe all of the terms, covenants and conditions of the Underlying Lease on the part of the Agency, as tenant thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the landlord under the Underlying Lease, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as tenant, under the Underlying Lease.

ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1. ACQUISITION, REHABILITATION AND INSTALLATION OF THE PROJECT FACILITY. (A) The Company shall, on behalf of the Agency, promptly acquire, renovate and install the Project Facility, or cause the acquisition, rehabilitation and installation of the Project Facility, all in accordance with the Plans and Specifications.

(B) No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent of the Agency shall not be unreasonably withheld conditioned or delayed).

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) hereof.

(E) The Agency hereby appoints the Company as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Basic Documents, and the Company hereby accepts such appointment: (1) to acquire, renovate and install the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the acquisition, rehabilitation and installation of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefor by the Company and advanced for such purposes by the Company pursuant to this Lease Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, rehabilitation and installation of the Project Facility from funds made available therefor in accordance with this Lease Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, rehabilitation and installation of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same, said appointment as agent to be retroactive to October 10, 2023 and to last until the Completion Date.

(F) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend, indemnify and save the Agency and its officers, members, agents, servants and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) To the extent required by Applicable Law, the Company, as agent of the Agency, will cause (1) compliance with the requirements of Article 8 of the New York Labor Law, and (2) any contractor, subcontractor and other person involved in the acquisition, rehabilitation and installation of the Project Facility to comply with Article 8 of the New York Labor Law. The covenant in this subsection is not intended as a representation that Article 8 of the New York Labor Law applies to the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Title to portions of the Project Facility acquired, renovated and installed at the Company's cost shall immediately upon such acquisition, rehabilitation or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease Agreement.

SECTION 4.2. COMPLETION OF THE PROJECT FACILITY. The Company will proceed with due diligence to commence and complete the acquisition, rehabilitation and installation of the Project Facility. Completion of the same shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, rehabilitation and installation of the Project Facility has been completed, with the exception of ordinary punchlist items and work awaiting seasonal opportunity, (D) that the Company or the Agency has good and valid title to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Notwithstanding the foregoing, such certificate may state (1) that it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being, (2) that it is given only for the purposes of this Section 4.2, and (3) that no Person other than the Agency may benefit therefrom. Such certificate shall be accompanied by a certificate of occupancy, or a letter from the local Governmental Authority stating that no certificate of occupancy is required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes.

SECTION 4.3. REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, rehabilitation and installation of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials,

workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility, and thereafter be paid to the Company for its own use. The Company shall advise the Agency of any actions or proceedings taken hereunder.

ARTICLE V DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE

SECTION 5.1. LEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and lease to the Company, and the Company hereby agrees to rent and lease from the Agency, the Agency's interest in the Project Facility, subject only to Permitted Encumbrances. The obligation of the Agency under this Section 5.1 to lease the Project Facility to the Company shall be subject to there being no Event of Default existing hereunder, or any other event which would, but for the passage of time, be such an Event of Default.

SECTION 5.2. DURATION OF THE LEASE TERM; QUIET ENJOYMENT. (A) The Agency shall deliver to the Company possession of the Project Facility, and the leasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Except as otherwise provided in Article X hereof, the leasehold estate created hereby shall terminate on the earlier to occur of (1) January 31, 2034, or (2) the date that this Lease Agreement shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X of this Lease Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease Agreement and will, at the request of the Company and at the Company's expense,

cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3. RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE. (A) The Company shall pay basic rental payments for the Project Facility as follows: On the date of execution and delivery of this Lease Agreement, the Company shall pay, (1) as the basic lease payments due hereunder, a single lump sum basic rental payment equal to the Agency's administrative fee relating to the Project and (2) Agency Counsel's fees and expenses relating to the Project. Thereafter, the Company shall make all payments required in accordance with the Payment In Lieu of Tax Agreement, a copy of which is attached hereto as Schedule A.

(B) Within seven (7) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the expenses of the Agency and the officers, members, agents and employees thereof incurred by reason of the Agency's ownership, leasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease Agreement or any of the other Basic Documents, and any other fee or expense of the Agency with respect to the Project Facility, the leasing or sale of the Project Facility to the Company, or any of the other Basic Documents, the payment of which is not otherwise provided for under this Lease Agreement.

(C) The Company agrees to make the above-mentioned payments, without any further notice, by check or wire transfer, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less, from the date on which such payment was due until the date on which such payment is made.

SECTION 5.4. NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER. (A) The obligations of the Company to make the payments required by this Lease Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of set-off, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease Agreement, or terminate this Lease Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of title to or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of

the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease Agreement.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Lease Agreement, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.10 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company) or employees of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease Agreement, the relationship of the Agency and the Company hereunder or the Company's use and occupancy of or purchase of or title to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5. GRANT OF SECURITY INTEREST. The Company hereby grants the Agency a security interest in all of the right, title and interest of the Company in the Project Facility and in all additions and accessions thereto, all replacements and substitutions therefor and all proceeds thereof, and all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds thereof, as security for payment of the rental payments and all other payments and obligations of the Company hereunder. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute and deliver and file any instruments necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1. MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY. (A) During the term of this Lease Agreement, the Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), and (3) operate the Project Facility in a sound and economic manner.

(B) The Company shall not make any structural additions, modifications or improvements to the Project Facility or any part thereof unless:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such addition, modification or improvement to the Project Facility, or a part thereof, (b) defend and save the Agency and its officers, members, agents (other than the Company) and employees harmless from all fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) make all payments in lieu of taxes required by Section 6.6 hereof and the Payment in Lieu of Tax Agreement, including those required by Section 2.03(D) thereof;

(2) the addition, modification or improvement to the Project Facility shall not constitute a default under any of the Basic Documents; and

(3) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such addition, modification or improvement to the Project Facility detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for additions, modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000.00 in value.

SECTION 6.2. TAXES, ASSESSMENTS AND UTILITY CHARGES. (A) The Company shall pay or cause to be paid, as the same respectively become due, (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility, (2) all utility and other charges, including "service charges", incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements, and (4) all payments required under Section 6.6 hereof; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease Agreement.

(B) Notwithstanding the provisions of subsection (A) of this Section 6.2, the Company may in good faith actively contest any such taxes, assessments and other charges, provided that the Company (1) first shall have notified the Agency in writing of such contest and (2) is not in default under any of the Basic Documents. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3. INSURANCE REQUIRED. During the term of this Lease Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company and the Agency as insureds, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance at all times to be in an amount acceptable to the Company and the Agency.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, rehabilitation or installation of the Project Facility.

(C) Insurance protecting the Company and the Agency against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease Agreement) and arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$500,000 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law.

(D) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST.

SECTION 6.4. ADDITIONAL PROVISIONS RESPECTING INSURANCE. (A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and having a Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall name the Company as insured and include the Agency as an additional insured and shall provide at least thirty (30) days' written notice to the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. Any required renewal certificates will be issued to the Agency within 30 days following the expiration of any of the required insurance in section 6.3 and 6.4.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely

paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 6.5. APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Section 6.3(A) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Section 6.3(B) and 6.3(C) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. PAYMENTS IN LIEU OF TAXES. (A) It is recognized that under the provisions of the Act, the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is not the intention, however, of the parties hereto that the entire Project Facility be treated as exempt from real property taxation. The Agency and the Company understand that only the Facility shall be entitled to a real property tax exemption. Accordingly, the parties hereto acknowledge that the Payment in Lieu of Tax Agreement is expected to be executed with respect to the Facility and a Real Property Tax Exemption Form will be filed by the Agency with respect to the Facility once the Payment in Lieu of Tax Agreement is executed by the Agency and the Company. Until the expiration date of the Payment in Lieu of Tax Agreement, the Agency and the Company hereby agree that the Company (or any subsequent user of the Project Facility pursuant to this Lease Agreement) shall be required to make or cause to be made payments in lieu of real estate taxes in the amounts and in the manner set forth in the Payment in Lieu of Tax Agreement.

(B) In the event that (1) the Facility Premises would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, and (2) the Payment in Lieu of Tax Agreement shall not have been entered into by the Agency and the Company, or if entered into the Payment in Lieu of Tax Agreement shall for any reason no longer be in effect, the Agency and the Company hereby agree that the Company, or any subsequent user of the Project Facility under this Lease Agreement, shall in such event be required to make or cause to be made payments in lieu of taxes to the school district or school districts, city, town, county, village and other political units wherein the Facility Premises or the Project Facility, as the case may be, is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities") in such amounts as would result from taxes being levied on the Facility Premises or the Project Facility, as the case may be, by the Taxing Entities if the Facility Premises or the Project Facility, as the case may be, were privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, but with appropriate reductions similar to the tax exemptions and credits, if any, which would be afforded to the Company if it were the owner of the Facility Premises or the Project Facility, as the case may be. It is agreed that the Agency, in cooperation with

the Company, (1) shall cause the Facility Premises or the Project Facility, as the case may be, to be valued for purposes of determining the amounts due hereunder as if owned by the Company as aforesaid by the appropriate officer or officers of any of the Taxing Entities as may from time to time be charged with responsibility for making such valuations, (2) shall cause to be appropriately applied to the valuation or valuations so determined the respective tax rate or rates of the Taxing Entities that would be applicable to the Facility Premises or the Project Facility, as the case may be, if so privately owned, (3) shall cause the appropriate officer or officers of the Taxing Entities charged with the duty of levying and collecting such taxes to submit to the Company, when the respective levies are made for purposes of such taxes upon Property privately owned as aforesaid, statements specifying the amounts and due dates of such taxes which the Taxing Entities would receive if such Property were so privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, and (4) shall file with the appropriate officer or officers any accounts or tax returns furnished to the Agency by the Company for the purpose of such filing.

(C) The Company shall pay or cause to be paid to the Taxing Entities when due all such payments in lieu of taxes with respect to the Project Facility required by Section 6.6(B) of this Lease Agreement to be paid to the Taxing Entities, subject in each case to the Company's right to (1) obtain exemptions and credits, if any, which would be afforded to a private owner of the Project Facility, including any available exemption under Section 485-b of the New York Real Property Tax Law with respect to the Project Facility, (2) contest valuations of the Project Facility made for the purpose of determining such payments therefrom, and (3) seek to obtain a refund of any such payments made.

(D) Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Section 6.6 or the Payment in Lieu of Tax Agreement when due, the Company shall continue to be obligated to pay the same and shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due. If the Company shall fail to make any payment required by the Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) the Default Interest Rate, or (b) the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.

ARTICLE VII
DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. DAMAGE OR DESTRUCTION. (A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall so notify the Agency. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) the amount necessary to prepay the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to prepay the

Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to prepay the Indebtedness in full.

(C) If all Indebtedness has been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) hereof.

SECTION 7.2. CONDEMNATION. (A) To the knowledge of the Company, no condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

- (1) the Agency shall have no obligation to restore the Project Facility;
- (2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is restored);
- (3) the Company shall promptly give notice thereof to the Agency; and
- (4) except as otherwise provided in subsection (C) of this Section 7.2,
 - (a) the Company shall promptly restore the Project Facility (excluding any part of the Land or the Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and
 - (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any Condemnation award relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and
 - (2) any balance of such funds from the Net Proceeds of any Condemnation award, if any, remaining on

deposit with the Agency after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) of this Section 7.2, if the Company shall so notify the Agency. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to prepay all of the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to prepay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be prepaid in full.

(D) If all of the Indebtedness has been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(E) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(F) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company.

SECTION 7.3. ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII SPECIAL COVENANTS

SECTION 8.1. NO WARRANTY OF CONDITION OR SUITABILITY BY AGENCY; ACCEPTANCE "AS IS". THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE PROJECT FACILITY OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. THE COMPANY SHALL ACCEPT TITLE TO THE PROJECT FACILITY "AS IS", WITHOUT RECOURSE OF ANY NATURE AGAINST THE AGENCY FOR ANY CONDITION NOW OR

(A) The Company hereby releases the Agency and its members, officers, agents (other than the Company) and employees from, agrees that the Agency and its members, officers, agents (other than the Company) and employees shall not be liable for and agrees to indemnify, defend and hold the Agency and its members, officers, agents (other than the Company) and employees harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising as a result of the Agency's undertaking the Project, including, but not limited to, (1) liability for loss or damage to Property or bodily injury to or death of any and all Persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Project Facility, (2) liability arising from or expense incurred by the Agency's acquiring, constructing, equipping, installing, owning, leasing or selling the Project Facility, including, without limiting the generality of the foregoing, any sales or use taxes which may be payable with respect to goods supplied or services rendered with respect to the Project Facility, all liabilities or claims arising as a result of the Agency's obligations under this Lease Agreement or any of the other Basic Documents or the enforcement of or defense of validity of any provision of any of the Basic Documents, (3) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Section 4.1(E) hereof, and (4) all causes of action and reasonable, actual attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing; provided that any such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability, except to the extent any such claims, causes of action, judgements, liabilities, damages, losses, costs or expenses of the Agency are incurred or result from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than Company) or employees.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor

under workers' compensation laws, disability benefits laws or other employee benefit laws.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3(C) of this Lease Agreement, its liabilities assumed pursuant to this Section 8.2.

(D) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

SECTION 8.3. RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right, upon reasonable notice to the Company and at reasonable times mutually agreed to by the Parties, to enter upon and to examine and inspect the Project Facility subject to all safety regulations. The Company further agrees that the Agency shall have such rights of access to the Project Facility as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder.

SECTION 8.4. COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS; CONDITIONS UNDER WHICH EXCEPTIONS ARE PERMITTED. The Company agrees that, during the term of this Lease Agreement, it will maintain its limited liability company existence, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another limited liability company, without notice to the Agency and the prior written consent of the Agency; provided, however, that, if no Event of Default specified in Section 10.1 hereof shall have occurred and be continuing, the Company may consolidate with or merge into another domestic limited liability company organized and existing under the laws of one of the states of the United States, or permit one or more such domestic limited liability companies to consolidate with or merge into it, or sell or otherwise transfer to another Person all or substantially all of its assets as an entirety and thereafter dissolve, provided that (A) the Agency has received notice of such action, (B) the Agency gives its written consent to the proposed transaction, which consent shall not be unreasonably withheld, conditioned or delayed, (C) the surviving, resulting or transferee limited liability company assumes in writing all of the obligations of and restrictions on the Company under this Lease Agreement and the other Basic Documents, and (D) as of the date of such transaction, the Agency shall be furnished with (1) an opinion of counsel to the Company as to compliance with item (A) of this Section 8.4 and (2) a certificate, dated the effective date of such transaction, signed by an Authorized Representative of the Company and an authorized officer of the surviving, resulting or transferee limited

liability company, as the case may be, or the transferee of its assets, as the case may be, to the effect that immediately after the consummation of the transaction and after giving effect thereto, no Event of Default exists under this Lease Agreement and no event exists which, with notice or lapse of time or both, would become such an Event of Default. Notwithstanding the foregoing, the Agency hereby consents to a consolidation with or merger into, or a sale or transfer of substantially all of the Company's assets, to a Related Person of the Company (as that term is defined in subparagraph (c) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person").

SECTION 8.5. AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever reasonably requested by the Agency, to provide and certify or cause to be provided and certified such public information concerning the Company, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation.

SECTION 8.6. BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES. (A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) Within thirty (30) days after request by the Agency, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7. COMPLIANCE WITH APPLICABLE LAWS. (A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such requirement, and (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents, servants or employees may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8. DISCHARGE OF LIENS AND ENCUMBRANCES. The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency (other than the Project Facility) or on any funds of the Agency applicable to the Project Facility.

SECTION 8.9. PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith, and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 8.10. DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11. EMPLOYMENT OPPORTUNITIES. (A) The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division ("NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) ("JTPA") in which the Project is located and (2), where practicable, to first consider for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities. The Company agrees to file with the Agency, on an annual basis, reports regarding the number of people employed at the Project Facility which reports shall include information confirming the Company's compliance with this subsection.

(C) If the Project Facility has been financed through the issuance of qualified small issue bonds then pursuant to the requirements of subsection one of Section 6 of

Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease Agreement, an employment plan, in substantially the form attached hereto as Exhibit "D".

(D) INTENTIONALLY OMITTED.

SECTION 8.12. SALES AND USE TAX EXEMPTION. (A) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain sales taxes and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of New York sales or use taxes. Any exemption from the payment of New York sales or use taxes resulting from the involvement of the Agency with the Project shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of New York sales or use tax. It is the intention of the parties hereto that the Company will receive a sales tax exemption with respect to the Project, said sales tax exemption letter to be issued on the date of the execution of this Lease Agreement and in a form similar to the form attached hereto as Exhibit "F".

(B) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause any sublessee or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Report"), a statement of the value of all sales and use tax exemptions claimed by the Company and all contractors, subcontractors, consultants and other agents of the Company under the authority granted to the Company pursuant to Section 4.1(E) of this Lease Agreement. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Report shall be removal of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this subsection (B), the Company shall immediately cease to be the agent of the Agency in connection with the Project. A current sample form of such Annual Report required to be completed by the Company pursuant to this Lease Agreement is attached hereto as Exhibit "G". For future filings of the Annual Report, the Company is responsible for obtaining from the New York State Department of Taxation and Finance any updated or revised versions of such Annual Report. Notwithstanding the foregoing, the Company is not receiving a sales and use tax exemption as part of its Financial Assistance from the Agency and is thereby exempt from the requirements stated herein.

(C) The Company agrees to furnish to the Agency a copy of each such Annual Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act. Notwithstanding the foregoing, the

Company is not receiving a sales and use tax exemption as part of its Financial Assistance from the Agency and is thereby exempt from the requirements stated herein.

(D) Pursuant to Section 874(9) of the Act, the Company agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. A current sample form of such Thirty-Day Sales Tax Report required to be completed by the Company pursuant to this Lease Agreement is attached hereto as Exhibit "H". For future filings of the Thirty-Day Sales Tax Report, the Company is responsible for obtaining from the New York State Department of Taxation and Finance any updated or revised versions of such Thirty-Day Sales Tax Report. Notwithstanding the foregoing, the Company is not receiving a sales and use tax exemption as part of its Financial Assistance from the Agency and is thereby exempt from the requirements stated herein.

SECTION 8.13. SALES AND USE TAX RECAPTURE. Pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive, or otherwise obtain from the Company that portion of the Financial Assistance which constitutes state sales and use tax exemptions taken or purported to be taken by the Company to which the Company is not entitled or which are in excess of the amount authorized by the Agency or which are for property or services not authorized by the Agency as part of the Project or were taken by the Company when the Company failed to comply with a material term or condition to use property or services in the manner required by the Basic Documents. The Company shall cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such state sales and use tax exemptions and shall promptly pay over any such amounts to the Agency. In addition to constituting an Event of Default hereunder, the failure to pay over such amounts to the Agency shall be grounds for the New York State Commissioner of Taxation and Finance to assess and determine state sales and use taxes due from the Company under Article 28 of the Tax Law of the State of New York, together with any relevant penalties and interest due on such amounts. Notwithstanding the foregoing, the Company is not receiving a sales and use tax exemption as part of its Financial Assistance from the Agency and is thereby exempt from the requirements stated herein.

SECTION 8.14. IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX ASSIGNMENTS; MERGER OF THE AGENCY

SECTION 9.1. ASSIGNMENT OF THE LEASE AGREEMENT. Except as otherwise provided in Section 8.4 hereof, this Lease Agreement may not be assigned by the Company, in whole or in part, without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, the Agency hereby consents to the assignment of this Lease Agreement to a Related Person of the Company.

SECTION 9.2. MERGER OF THE AGENCY. (A) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease Agreement shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3. SALE OR LEASE OF THE PROJECT FACILITY. (A) The Company may not sell, lease, transfer, convey or otherwise dispose of the Project Facility or any part thereof without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, the Agency hereby consents to the sale, lease, transfer, conveyance or other disposition of the Project Facility to a Related Person of the Company.

(B) Notwithstanding anything to the contrary contained in this Lease Agreement, in any instance after the Completion Date where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with similar items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments

necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Basic Documents. The Company shall pay all costs and expenses (including counsel fees) incurred in transferring title to and releasing from the Liens of the Basic Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1. EVENTS OF DEFAULT DEFINED. (A) The following shall be "Events of Default" under this Lease Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to Section 5.3 or Section 6.6 hereof, and the continuance thereof for a period of ten (10) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Lease Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.

(3) The occurrence of an "Event of Default" under any other Basic Document.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4. AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any

FORM OF SALE TAX EXEMPTION LETTER

**CORTLAND COUNTY INDUSTRIAL DEVELOPMENT AGENCY
40 Maine Street, Suite A
Cortland, New York 13045**

December 1, 2023

To Whom It May Concern:

**Re: New York State Sales or Use Tax Exemption
Cortland County Industrial Development Agency
AK Community LLC Project**

Pursuant to TSB-M-87(7) issued by the New York State Department of Taxation and Finance on April 1, 1987 as modified and amended by TSB-M-14(1.1)S issued by the New York State Department of Taxation and Finance on February 12, 2014 (collectively the "Policy Statement"), the Cortland County Industrial Development Agency (the "Agency"), a public benefit corporation duly established pursuant to Chapter 1030 of 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act") and Chapter 77 of the 1974 Laws of New York, as amended, constituting Section 902 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act"), is issuing this letter for the purpose of providing the information previously required by the Policy Statement regarding the sales tax exemption with respect to the captioned project (the "Project") located at 5159 Route 221 in the Town of Willet, Cortland County, New York (the "Project Site") and to provide information regarding the proper reporting of exempt purchases to the New York State Department of Taxation and Finance.

AK Community LLC (the "Company") has applied to and been approved for Financial Assistance from the Agency in the matter of completion of the Project on the Project Facility. The Project includes the following: (A) (1) the acquisition of an interest in an approximately 7.9 acre parcel of land (the "Land") located at 1208 Church Street and Owego Hill Road in the Town of Virgil, Cortland County, New York (2) the renovation of a vacant former school building on the Land containing approximately 26,158 square feet of space (the "Facility") and (3) the acquisition and installation therein and thereon of certain furnishings, fixtures and equipment (the "Equipment"), all of the foregoing to constitute a residential building consisting of approximately 19 residential units and a community center to be operated by the Company and occupied by residential tenants in excess of 55 years of age (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales taxes, real estate transfer taxes, mortgage recording taxes and real property taxes (collectively, the "Financial Assistance"); and (C) the lease of the Project Facility to the Company pursuant to the terms of a Uniform Project and Lease Agreement dated as of December 1, 2023 (the "Lease Agreement") by and between the Company and the Agency.

Please be advised that as of December 1, 2023, the Lease Agreement was fully executed by the Company and Agency, pursuant to which the Agency appointed the Company as agent of the Agency to acquire, construct and install the Project Facility, said appointment being intended by the Agency to be retroactive to October 10, 2023.

This agency appointment includes the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents, and to such other parties as the Company chooses including, but not limited to, the individuals and entities described on Schedule A attached hereto. The Company and each of the individuals and entities described on Schedule A attached hereto are sometimes referred to herein as an "Agent" and collectively, as the "Agents". The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company hereby agrees to complete "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (Form ST-60) for itself and each agent, subagent, contractor, subcontractor, contractors or subcontractors of such agents and subagents, and to such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the Agency immediately upon such appointment for review and approval by the Agency and the Agency shall file said form with the State Department of Taxation and Finance within thirty (30) days.

It is our opinion that the Agents may make project purchases of materials to be incorporated in the Project and machinery and equipment constituting a part of the Project and purchases or rentals of supplies, tools, equipment or services necessary to acquire or install the Project and, with respect to such specific purchases or rentals, are exempt from any sales or use tax imposed by the State of New York or any governmental instrumentality located within the State of New York, if the following procedures are observed:

1. The Agent must provide the seller with a properly completed "IDA Agent or Project Operator Exempt Purchase Certificate" (Form ST-123) with all purchases.
2. Purchases must be billed or invoiced by the vendor to the Agent as agent for the Agency (e.g., "AGENT as agent for Cortland County Industrial Development Agency") and identify the date of delivery and indicate the place of delivery.
3. Payment must be made by the Agent, acting as agent, directly to the vendor from a special project fund of the payor.
4. Deliveries must be made to the Project Site, or under certain circumstances (such as where the materials require additional fabrication before installation on the Project Site or for storage to protect materials from theft or vandalism prior to installation at the Project Site) deliveries may be made to a site other than the Project Site, providing the ultimate delivery of the materials is made to the Project Site. Where delivery is made to a site other than the Project Site, the purchases must be billed or invoiced by the vendor to the Agent as agent of the Agency, identify the date

and place of delivery, the Agency's full name and address and the Project Site where the materials will ultimately be delivered for installation.

Pursuant to Section 874(8) of the Act, the Company, as agent of the Agency, must annually file a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, of the value of all sales tax exemptions claimed by the Company under the authority granted by the Agency. The penalty for failure to file such a statement under Section 874(8) of the Act shall be the removal of authority to act as an agent for the Agency.

This letter shall, together with a properly completed ST-123, serve as proof of the existence of an agency contract between the Agency and each Agent for the **SOLE EXPRESS PURPOSE OF SECURING EXEMPTION FROM NEW YORK STATE SALES TAXES FOR THE PROJECT ONLY. NO OTHER PRINCIPAL/AGENT RELATIONSHIP BETWEEN THE AGENCY AND AN AGENT IS INTENDED OR MAY BE IMPLIED OR INFERRED BY THIS LETTER.**

It is hereby further certified that, under the Policy Statement, since the Agency is a public benefit corporation, neither the Agency, nor any Agent as its agent, is required to furnish an "Exempt Organization Certificate" in order to secure exemption from any sales or use tax for such items or services.

In addition to a properly completed Form ST-123, a copy of this letter received by any vendor or seller to the Agent as agent for the Agency, may be accepted by such vendor or seller as a "statement and additional documentary evidence of such exemption" as provided by New York State Tax Law Section 1132(c)(1), thereby relieving such vendor or seller from the obligation to collect sales and use tax on purchases or rentals of such materials, supplies, tools, equipment or services by the Agency through its agent, the Agent.

THE EXEMPTIONS SET FORTH IN THIS LETTER SHALL REMAIN IN EFFECT UNTIL JUNE 1, 2024.

In the event you have any questions with respect to the above, please do not hesitate to contact Brendan O'Bryan, Executive Director of the Agency, at (607) 756-5005.

Very truly yours,

**CORTLAND COUNTY INDUSTRIAL
DEVELOPMENT AGENCY**

WHEREAS, pursuant to the terms set forth in the Lease Agreement, the Agency will obtain a leasehold interest in the Facility Parcel, which Facility Parcel is more fully described on Exhibit "A" attached hereto; and

WHEREAS, pursuant to the Lease Agreement, the Agency proposes to construct the Facility on the Facility Parcel (the Facility Parcel and the Facility being sometimes collectively referred to as the "Facility Premises"); and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE II COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF THE FACILITY PREMISES. (A) Assessment of the Facility Premises. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of a leasehold interest in the Facility Premises by the Agency and the filing by the Agency of a New York State Department of Taxation and Finance Office of Real Property Services Form RP-412-a with respect to the Facility Premises, and for so long thereafter as the Agency shall have an interest in the Facility Premises, the Facility Premises shall be assessed by the various taxing entities having jurisdiction over the Facility Premises, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Facility Premises is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities", and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest in the Facility Premises created by the Underlying Lease and the filing of the Real Property Tax Exemption Form. The Company shall, promptly, following acquisition by the Agency of the leasehold interest in the Facility Premises created by the Underlying Lease, take such action as may be necessary to ensure that the Facility Premises shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an "Assessor"). For so long thereafter as the Agency shall own such leasehold interest in the Facility Premises, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Facility Premises shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency becomes the owner of record of such leasehold interest in the Facility Premises and the Real Property Tax Exemption Form is filed. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Facility Premises, including taxes and assessments levied for the current tax year and all

subsequent tax years until the Facility Premises shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Facility Premises.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Facility Premises.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES. (A) Agreement to Make Payments. The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company also agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The payments due hereunder shall be paid by the Company to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the "Receivers of Taxes") for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to same pursuant to the provisions hereof.

(B) Valuation of the Facility Premises. (1) The value of the Facility Premises for purposes of determining payments in lieu of taxes due hereunder (hereinafter referred to as the "Assessed Value") shall be fixed in the amount of \$380,000.00 for tax years 1 - 5 of the Term of this Payment in Lieu of Tax Agreement. Nothing herein shall be construed to prevent the appropriate Assessors from determining a different assessed value for any other purpose. The Assessed Value for purposes of determining payments in lieu of taxes due hereunder in tax years 6 - 10 of the Term of this Payment in Lieu of Tax Agreement shall be the actual assessed value for real property tax purposes of the Facility Premises as determined by the appropriate Assessors. The Company shall be entitled to written notice of the determination of any assessed value from the appropriate Assessors and of any change thereof in accordance with law.

(2) If the Company is dissatisfied with the amount of any other assessed value of the Facility Premises as initially established or as thereafter changed, the Company shall have all rights and remedies under the laws of the State of New York to challenge such other assessed value.

(C) Amount of Payments in Lieu of Taxes. The payments in lieu of taxes to be paid by the Company to the Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement shall be computed separately for each Taxing Entity as follows (the "PILOT Payment"):

(1) (i) In tax years 1 - 5 of the Term of this Payment in Lieu of Tax Agreement, by multiplying (a) the Assessed Value of the Facility Premises determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Facility Premises if the Facility Premises was owned by the Company and not the Agency; and

(ii) In tax years 6 - 10 of the Term of this Payment in Lieu of Tax Agreement, by multiplying (a) the Assessed Value of the Facility Premises determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Facility Premises if the Facility Premises was owned by the Company and not the Agency, and then further multiplying the result thereof by:

50% in Tax Year 6
60% in Tax Year 7
70% in Tax Year 8
80% in Tax Year 9
90% in Tax Year 10

(2) Except as provided in paragraph (3) below, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Facility Premises shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to the applicable PILOT Payment as calculated pursuant to Subsection (C) (1) i. and ii. of this Section 2.02.

(3) The parties recognize that the purpose of the Project is to provide needed senior housing in the County. Accordingly, the parties have agreed that the payments in lieu of taxes payable with respect to the Project Facility shall bear a direct relationship to the success or lack of success of the Project in achieving this goal. Therefore, on or before November 1 of each calendar year during the term of this Payment in Lieu of Tax Agreement, the Company shall file with the Agency an affidavit indicating the number of residential units within the Project Facility occupied by tenants in excess of 55 years of age. In each year that all 19 residential units within the Project Facility are occupied by tenants in excess of 55 years of age then the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to the applicable PILOT Payment as calculated pursuant to Subsection (C) (1) i. and ii. of this Section 2.02. In each year that not all 19 residential units within the Project Facility are occupied by tenants in excess of 55 years of age then the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to the lesser of (1) the PILOT Payment as calculated pursuant to Subsection (C) (1) i. and ii. of this Section 2.02 plus an additional 5.3% of the PILOT Payment for each residential unit not occupied by a tenant in excess of 55 years of age for such prior year

or (2) an amount equal to the real property taxes which would otherwise be due if the Project Facility were owned by the Company and not leased to the Agency for that year.

If the Company fails to file such an affidavit with the Agency on or before November 1 of a calendar year then, notwithstanding anything contained herein to the contrary, the Company shall pay an amount equal to the real property taxes which would otherwise be due if the Project Facility were owned by the Company and not leased to the Agency for that year.

(D) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facility Premises or any portion thereof or any additional building or other structure shall be constructed on the Facility Parcel (such structural additions and additional buildings and other structures being hereinafter referred to as "Additional Facilities") the Company agrees to make additional annual payments in lieu of property taxes (such additional payments being hereinafter collectively referred to as "Additional Payments") to the Receivers of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the "Normal Tax") which would be payable to each Taxing Entity if such Additional Facilities were owned by the Company and not the Agency as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (E) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity) if such Additional Facilities were owned by the Company and not the Agency, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(E) Valuation of Additional Facilities. (1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(D) hereof shall be determined by the Assessors of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner

as other similar properties in the general area of the Facility Premises, and (b) place a value for assessment purposes (hereinafter referred to as the "Additional Assessed Value") upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, the Company shall have all rights and remedies under the laws of the State of New York to challenge such other assessed value. Any payments in lieu of taxes due upon such Additional Facilities pursuant to Section 2.02(D) hereof may not be withheld by the Company pending determination of the Additional Assessed Value.

(F) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "Tax Billing Officer") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(G) Time of Payments. The Company agrees to pay the amounts due hereunder to each particular Taxing Entity in any fiscal tax year to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for such payments.

(H) Method of Payment. All payments by the Company hereunder shall be paid to the Receivers of Taxes in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Facility Premises or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of

utility charges, including but not limited to water, solid waste, sewage treatment or sewer or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(B) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS. (A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due, the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the

greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. (A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants and agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or Cortland County, New York, and neither the State of New York nor Cortland County, New York shall be liable thereon and, further, such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Facility Premises (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation. Notwithstanding any provision of this Payment in Lieu of Tax Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do

so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an event of default under this Payment in Lieu of Tax Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Payment in Lieu of Tax Agreement, any one or more of the following events:

(A) Failure of the Company to pay any amount due and payable by the Company pursuant to this Payment in Lieu of Tax Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period and if the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as the Company shall require in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of ninety (90) days in the aggregate from the date of default; or
